## Programs Updates

Hello HUCC Families!

Stewardship season is upon us, but this year feels different with all the uncertainty in life. I know many of us are feeling anxiety about jobs, investments, savings, and the stability of our country and economy. With all that on our minds, it's hard to find the balance between caring for our families and giving to our church community the way we wish we could.

I just want to take this opportunity to say thank you to all who give so much to our Faith Formation work—not only financially but also in time, talent, and generosity! I'm inspired every day by the beautiful way our community gives what they can without thinking twice! Your help and support for the Faith Formation staff and volunteers has been amazing, and I feel we are truly blessed to be on this crazy journey of life together.

With the deepest gratitude to all of you and our beautiful children and youth.

With Blessings & Peace,  
*Heather*

## West Side Youth Collective

Yesterday, HUCC youth met with other youth from the PDX Westside area for the May 2025 Westside Youth Collective gathering! This is a new program that Together Lab, HUCC, and other local churches have created to bring together youth to discuss issues that matter to them, advocate for youth concerns and their communities, and help raise awareness of youth mental health. The next gathering will be on June 22<sup>nd</sup> from 4:30-6:30pm!
